

LANGSTONE STUDY
COLLABORATIVE WORKSHOP
09.03.20

EASTERN SOLENT | COASTAL PARTNERSHIP

Havant
BOROUGH COUNCIL

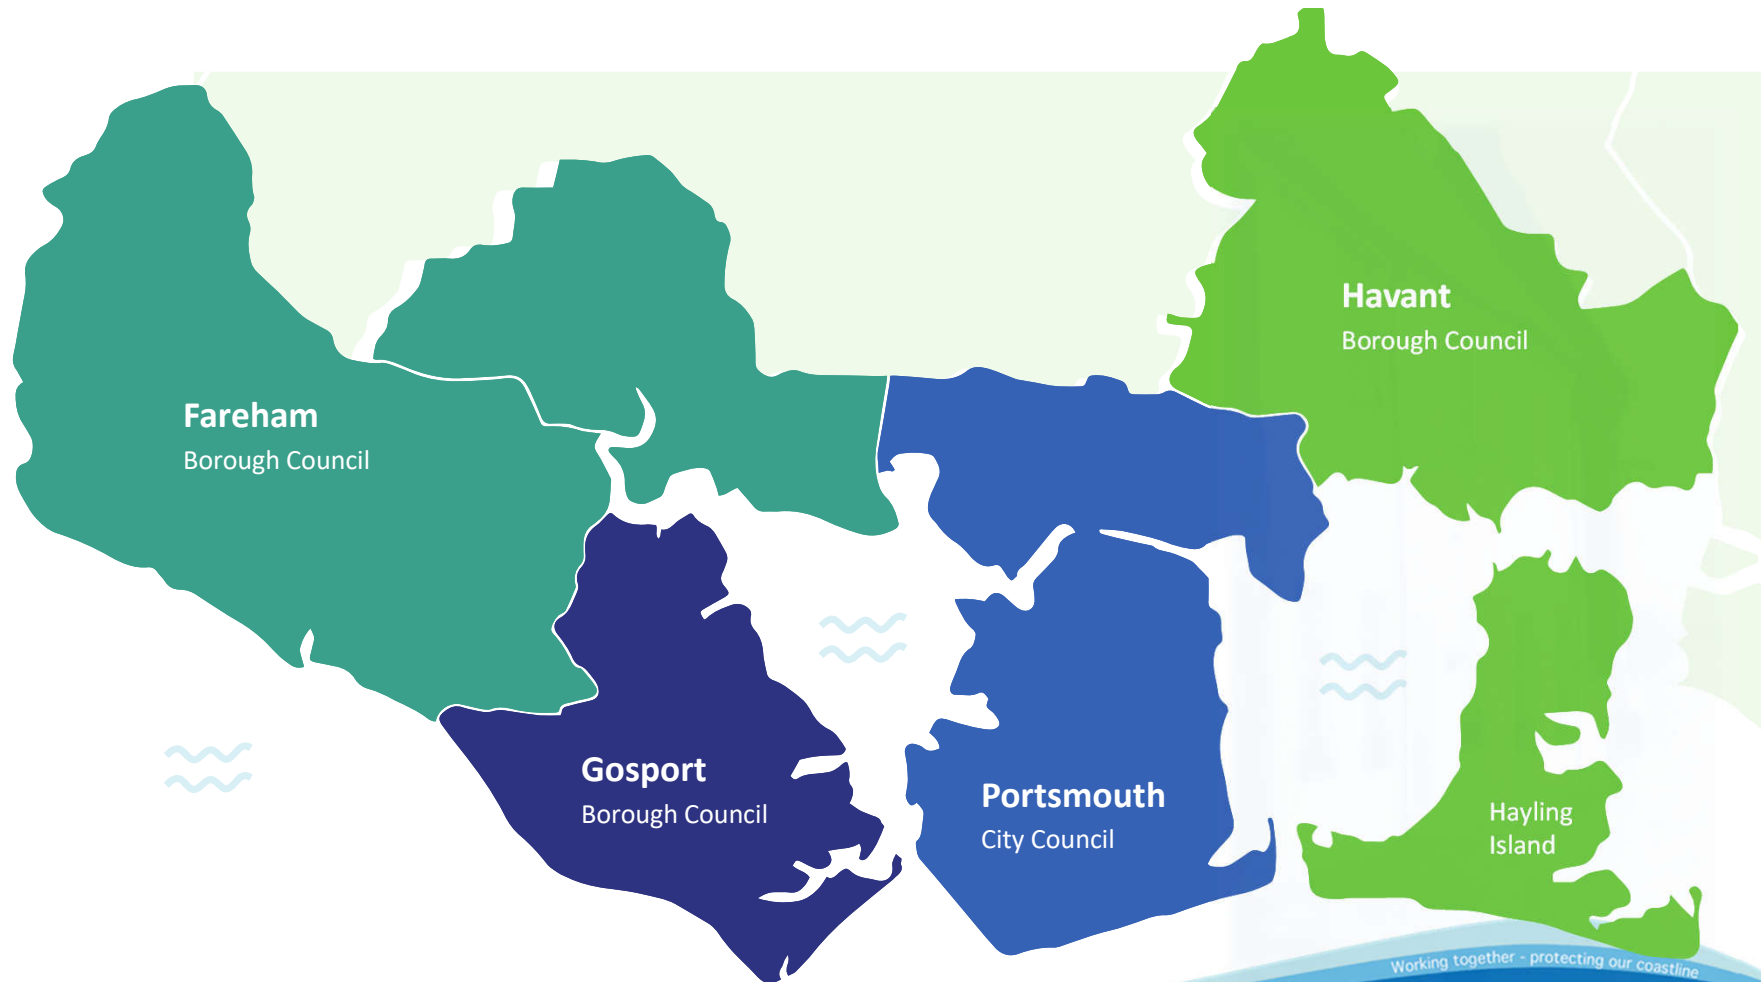

Portsmouth
CITY COUNCIL

GOSPORT
Borough Council

FAREHAM
BOROUGH COUNCIL

Working together - protecting our coastline

Objectives of the day

1. To agree a common understanding of the problem
2. To revisit the drivers, objectives and challenges of a scheme
3. To understand the framework we work under
4. To understand the different approaches to manage flood risk
5. To confirm areas of consensus and disagreement
6. To help inform detailed design

Ground rules

- To treat each other with **mutual respect** and consider other's opinions
- To allow others to speak and be heard
- To not shout or use abusive language
- To have **open and honest** discussions
- To switch mobile phones to silent
- To **listen** to every stakeholders questions and concerns equally
- Not to use the workshop as a forum for personal agendas or complaints

Study update

Feedback from public events – Jan 2020

Majority agree there is a need for new coastal defences

90 questionnaires completed

Most supported option was The Ship Inn frontage

Least supported option was The Royal Oak frontage

Importance of maintaining heritage character and views

Potential for financial contributions with the right scheme

Breakout 1: Drivers, Objectives & Challenges

(45 minutes)

- What are your key drivers for a scheme at Langstone?
- What would your objectives for the scheme be?
- What are the key challenges at Langstone?

Discuss each question as a table (20 minutes)

Each table feeds back to the room (10 minutes)

ESCP share the actual drivers and objectives of the study / scheme

Room discussion on drivers, objectives and challenges, areas of agreement / disagreement? (15 minutes)

Study drivers and objectives

.....Flood and erosion risk

.....Poor defence condition

OBJECTIVE OF THE STUDY:
“Develop Flood and Coastal Erosion Risk Management (FCERM) options for the Langstone frontage to reduce flood and erosion risk”.

Preserve heritage....

Environmental importance

Breakout 2: Holistic session – whole area

(30 minutes)

- How can we meet the objectives identified in session 1?
- What are your Ideas on approaches to manage risk in Langstone?

Discuss as a table (10 minutes)

Each table feeds back to the room (10 minutes)

Room discussion on ideas / approaches identified / areas of agreement / disagreement? (10 minutes)

Breakout 3: Mill Lane and Langstone Sailing Club (40 minutes)

- How can we meet the objectives identified in session 1?
- What are your Ideas on approaches to manage risk along the Mill Land and Sailing Club frontages?

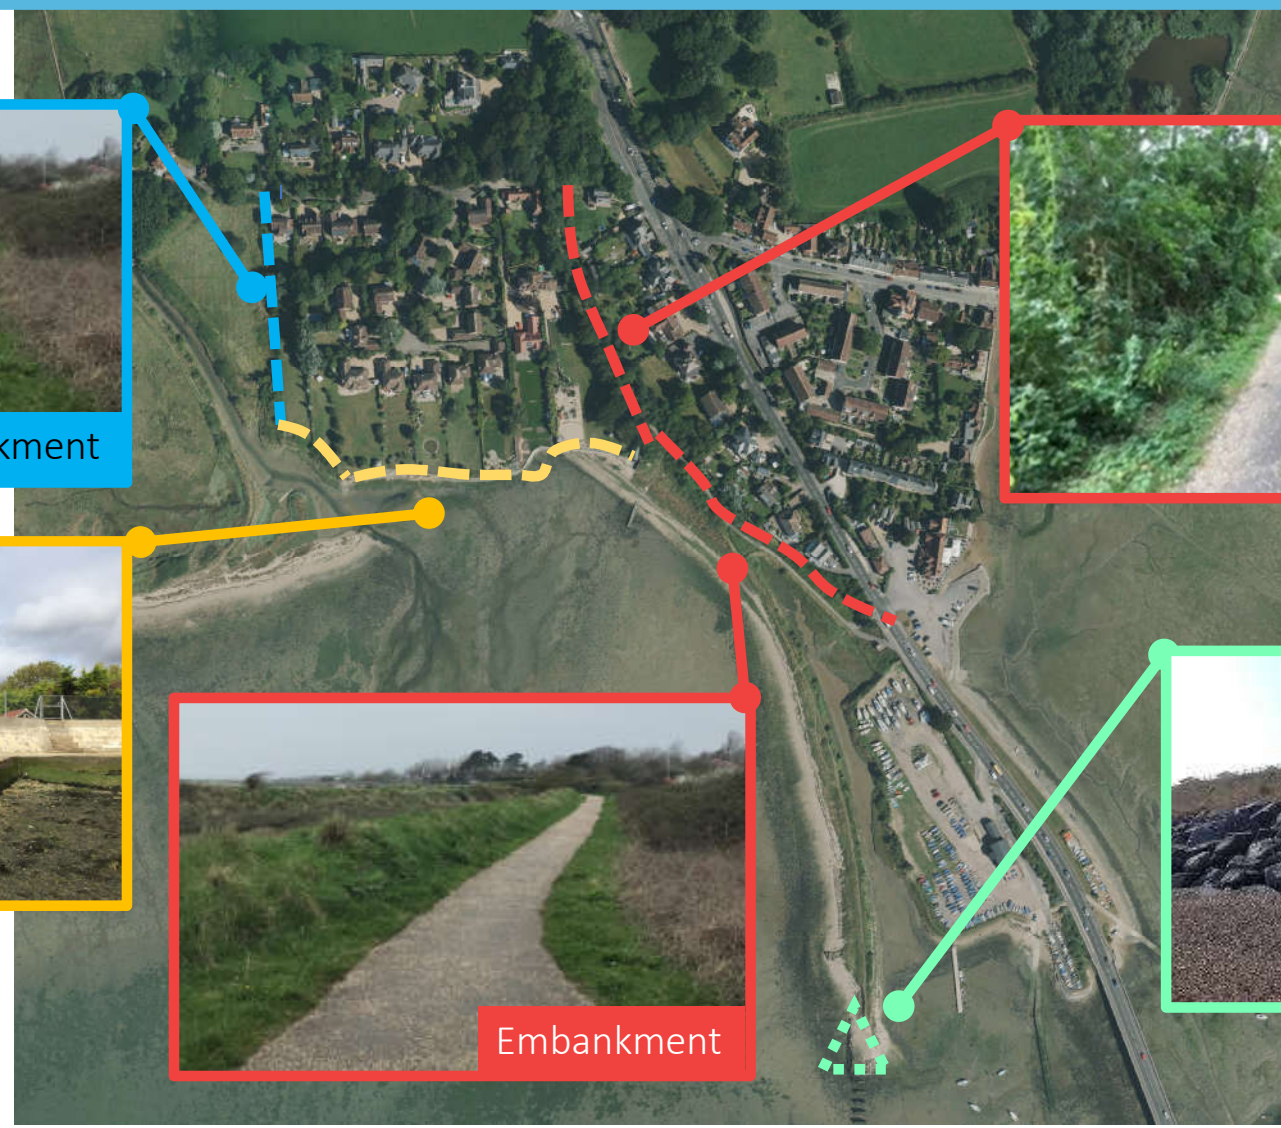

Discuss as a table (15minutes)

Each table feeds back to the room (10 minutes)

ESCP share the leading options for this frontage

Room discussion on ideas / approaches identified / areas of agreement / disagreement? (15 minutes)

Mill Lane and Langstone Sailing Club – leading options

Breakout 4: The Ship to Langstone High Street area (40 minutes)

- How can we meet the objectives identified in session 1?
- What are your Ideas on approaches to manage risk along the Ship to Langstone High Street frontage?

Discuss as a table (15minutes)

Each table feeds back to the room (10 minutes)

ESCP share the leading options for this frontage

Room discussion on ideas / approaches identified / areas of agreement / disagreement? (15 minutes)

The Ship to Langstone High Street – Leading options

Floodwall with boardwalk

Glass-topped floodwall

Flip-up floodwall

Breakout 5: Royal Oak, Langstone High Street and the Old Mill (60 minutes)

- How can we meet the objectives identified in session 1?
- What are your Ideas on approaches to manage risk along the Royal Oak, Langstone High Street and the Old Mill frontages?

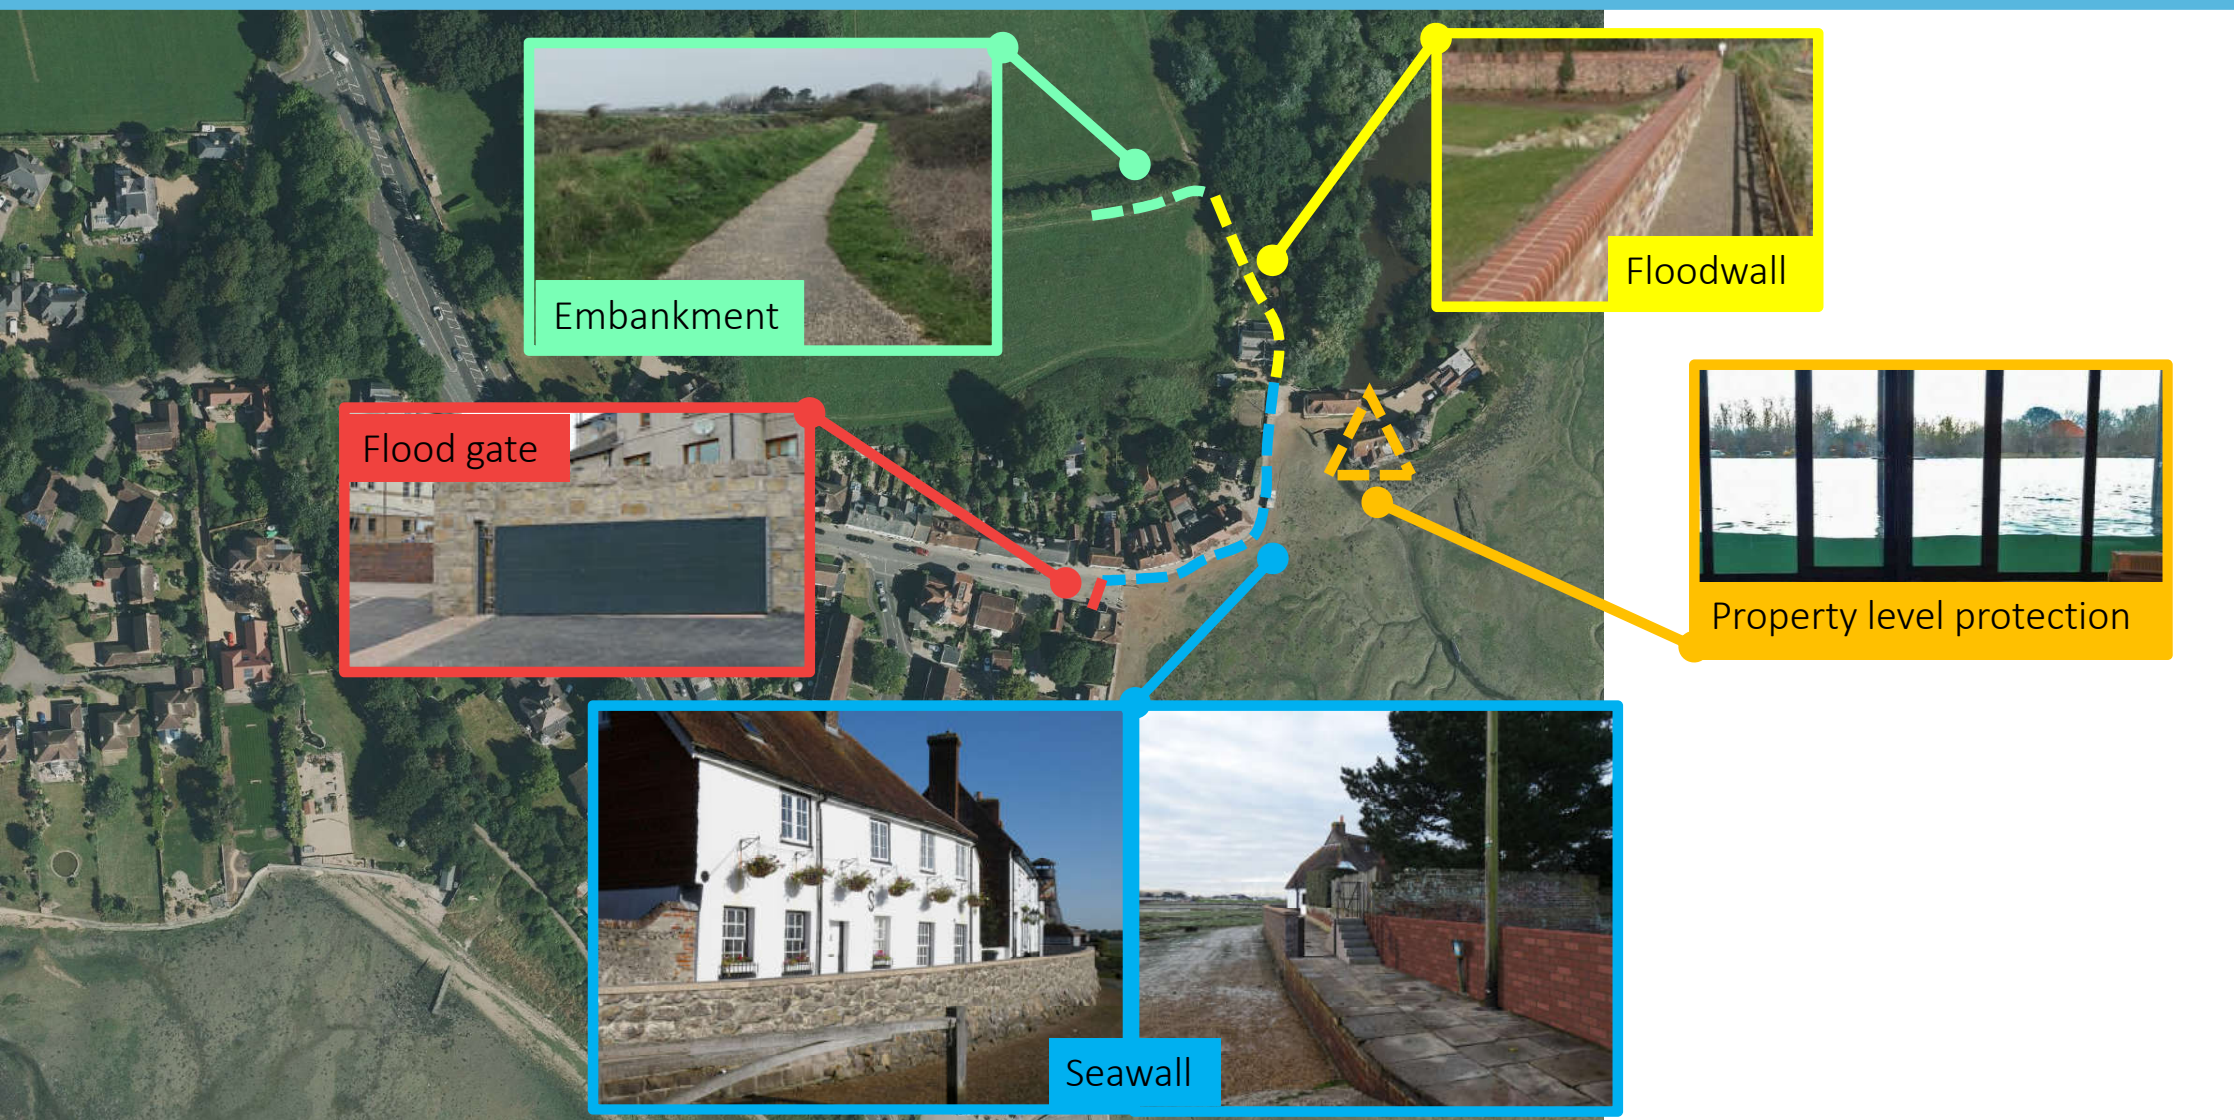

Discuss as a table (15minutes)

Each table feeds back to the room (10 minutes)

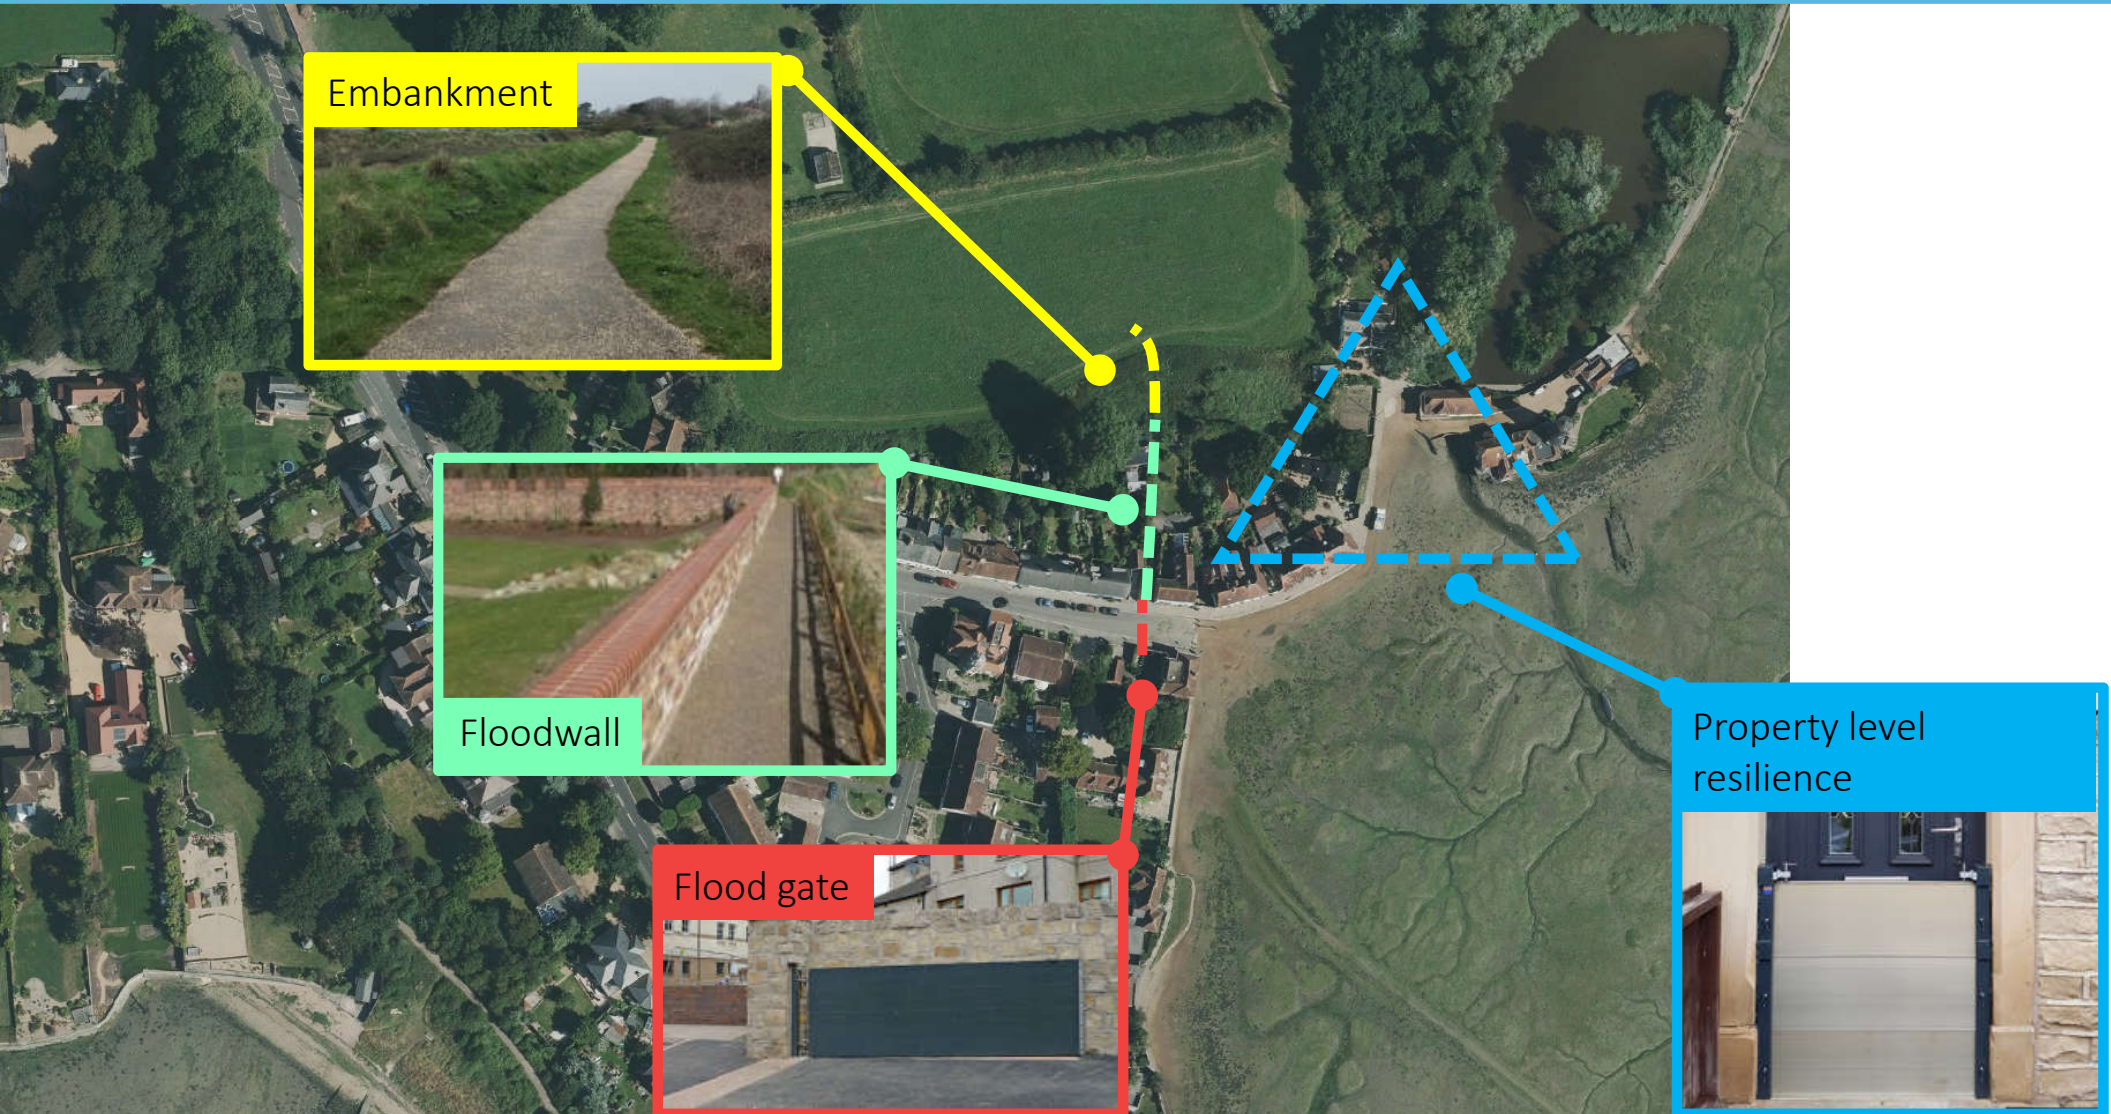

ESCP share the leading options for this frontage

Room discussion on ideas / approaches identified / areas of agreement / disagreement? (15 minutes)

Royal Oak, Langstone High Street & the Old Mill – leading options

Royal Oak, Langstone High Street and the Old Mill - Alternative

Thank you
