

EASTERN SOLENT | COASTAL PARTNERSHIP

Flood and Coastal Erosion Risk Management Improvement Scheme at Langstone

This questionnaire will help us understand how the coast at Langstone is used and what the aspirations are for the frontage.

Privacy Statement: The information provided by you in this questionnaire will only be used for research purposes. It will not be used in a manner which would allow identification of your individual responses.

Q1 Please tick below to begin the questionnaire. In doing so, you agree to participate in the survey and to the use of your survey responses as described above. The information will not be used in a manner which would identify you. Your address/contact details, if given, will be removed from the data as soon as the initial analysis is complete. You do not have to participate and even if you do, you do not have to answer any survey questions you would rather not. For a copy of our full data privacy statement, please contact Havant Borough Council.
